The Vision:

1. South Africa is a country with 11 official languages. It soon became a vision of the GFI-SA Ministry to have the GFI literature translated into as many of these spoken languages as possible. A huge task! Today we have several of the courses translated into Afrikaans and Zulu. We still have some way to go as our aim is to at least have the 'Growing Kids God's Way' /Childwise literature available in all the languages.
2. To reach out to our rainbow nation in a new way with godly principled parenting skills and in so doing help establish and maintain healthy family foundations which will, with prayer and dedication, work towards a strong society of responsible and 'committed to the family' people.
3. Establish and develop the GFI-SA Ministry as set out below (The Work), starting with the 4.50 hectare Land in Pretoria.

Pro 24:3-4 Through skilful and godly Wisdom is a house (a life, a home, a family) built, and by understanding it is established [on a sound and good foundation], And by knowledge shall its chambers [of every area] be filled with all precious and pleasant riches.

Psa 22:27-28 All the ends of the earth shall remember and turn to the Lord, and all the families of the nations shall bow down and worship before You, For the kingship and the kingdom are the Lord's, and He is the ruler over the nations.

Psa 96:7 Ascribe to the Lord, O you families of the peoples, ascribe to the Lord glory and strength.
