

Season's Greetings from Roving Ambassadors

The year has flown by and it has been quite busy. As most of you will know we are now off the road and are in the process of selling our caravan. A little disappointing but we feel that it is time to do this as we are in a new phase of life so have settled into a rented house in Wyee, NSW. We have a three year lease and are at the end of our first year and actively involved in our Church in leadership positions. We believe God has called us into this role as our Senior Pastor resigned at the end of October and Ian is now engaged on the Pastoral Search committee.

We really miss travelling around and catching up with you all and helping to spread the word about GFA. We are still active in our parenting classes and seminars and ran several of these throughout the year both locally on the Central Coast and also in Northern NSW. We had a great time meeting with our GFA family at the National Conference on the Sunshine Coast in April both from Australia and overseas. These gatherings are always one of the highlights for us in our role. We are continuing in the New Year on the Central Coast and also will be attending the Key Leaders conference in April. **We will still be available to help out but just not staying away for long periods of time so just let us know if you need us.**

We had a lovely two week break at Coffs Harbour in May and did some exploring to local areas we hadn't visited before. So, while it has been a busy year we haven't been far afield as it has been church or family related – maybe not exciting in some ways but always a blessing to be doing what we can. Our family are going well but as with all families there are always hiccups along the way.

We celebrated our daughter Anne's 50th birthday recently – makes us realize that time does not stand still when you are busy in the Lord's work. We still have 12 Grandchildren and 7 Great Grandchildren and they are all going well.

This is our house in a Christian retirement village in Wyee and we are the only house in our village with lights.

We wish you all a blessed and holy Christmas and an exciting 2015.

**Christian Greetings
from Lynn and Ian**
