|  | <p>Training Hearts, Teaching Minds provides brief readings that direct parents to related Scriptures and suggest questions to ask children so they may consider what God's Word says about that Catechism theme. At the same time, the Scripture readings are guided by the Catechism so that readers can learn the full-orbed Biblical system of faith and practice. The strength of this book is that it helpfully blends catechism learning with Scripture reading. For six days, Monday through Saturday, these devotionals reflect on different facets of the Catechism question of the week. This provides a practical solution for parents who want to catechize their children but don't know how to start. By using this book, you can work as a family on memorizing one question a week. You can review the questions on the Lord's Day. If you and your children memorize one question a week, you will have memorized the whole Catechism in approximately two years.</p> <p>(Age 10+)</p> | <p><\$20 Koorong <\$15 Amazon</p> |
